What an great evening celebrating International Men's Day - the energy and conversations were brilliant.

A special shout-out and massive congratulations to our nominated Inspirational Men—you are the backbone of our community and your positive impact is felt by so many.

We're also grateful to our stall holders and fantastic speakers for sharing their passion and insight into the important work their organisations are doing to support men. We appreciate your time and dedication!

We had some great prizes in our raffle, of which the proceeds were being donated to one of the third-sector organisations in attendance. A huge congratulations to Strathmore Cricket Club, who were drawn from the hat to receive the donation of £212.

Thank you all for helping us raise funds for this great cause!
