

DUNDEE KILTWALK

WE DID IT!

On Sunday 17th August 2025, Voluntary Action Athletes took part in the Dundee Kiltwalk.

A few team members took part in the Wee Wander (a 4 mile walk), while the remainder of the team took on the Mighty Stride - a 20 mile journey.

Regardless of the mileage, the walking experience was consistently positive. The path was well-maintained and clearly signposted, with regular "Pit Stops" providing much-needed refreshments, snacks, and a chance to rest. The weather was hot and sunny, but it wasn't an uncomfortable walk. There were a few blisters involved, but we totally smashed it!

FUNDRAISING

We've done well with our JustGiving page, and although the Kiltwalk has now passed, we're still open to collect any donations towards our cause. The funds we raise go directly back into the heart of our Angus community, supporting vital services for Angus families, local community projects, and caring for vulnerable individuals within Angus. You can donate here: <https://bit.ly/4kZvd3b>
