

# Volunteers' Week 2025

This Volunteers' Week, we celebrated the incredible contributions of individuals in our community with our Unsung Volunteer Heroes campaign. We invited members of the public to nominate those often-overlooked volunteers who make a significant difference through their selfless dedication.

Each nominated unsung hero had their name proudly displayed on a Hollywood-style star, symbolizing their star-worthy efforts. In addition, they received a special certificate to officially recognise and highlight their invaluable contributions. It was a privilege to shine a spotlight on these remarkable individuals and acknowledge the quiet, yet profound, impact they have every single day.

Adding to the festivities of Volunteers' Week, we also held a special ceremony on Friday 6<sup>th</sup> June for the Summit Awards to recognise and celebrate our young volunteers and present them with their Awards.

The Summit Award is for outstanding contributions to volunteering. It is awarded to recognised young volunteers who have not only completed a 200-hour Ascent, but also exceeded expectations. It stands as a shining testament to the extraordinary commitment of our young volunteers, whose dedication and selflessness enrich our communities in countless ways.
